## *Recent trends in the real estate market and its analysis 2017 edition*

Narodowy Bank Polski and SGH Warsaw School of Economics Conference  
21 November 2017

Narodowy Bank Polski Workshop  
22–23 November 2017

### *Call for Papers*

Narodowy Bank Polski (NBP) and SGH Warsaw School of Economics are organizing a Conference followed by an NBP international workshop to discuss current issues in the field of real estate analysis from the central bank's point of view. The development of residential real estate prices as well as commercial real estate prices and real estate financing will be covered during the workshop. The workshop is aimed at researchers who work in academia, private firms and central banks. The topics to be covered during the workshop include, but are not limited to:

- Real estate finance and its impact on financial stability
- Modelling of real estate cycles (demand and supply), with the focus on regional markets and the feedback between real estate construction and economic growth
- The development of property prices, their modelling and analysis
- A new approach to real estate analysis (i.e. urban economics and regional studies, spatial analysis, sociological and behavioural aspects in the real estate decision-making process, etc.)

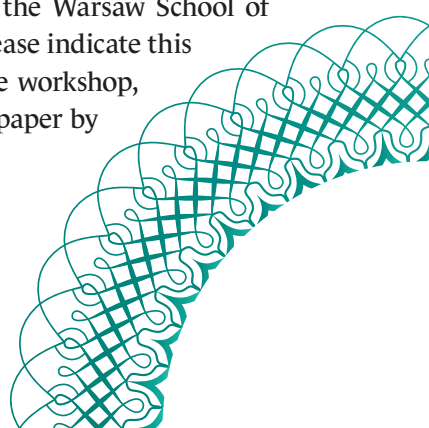

The papers from the 2015 edition of the workshop can be found here:

#### **Submission:**

To have a **paper** considered for inclusion in the workshop, please submit it by 13 September 2017 to: [realestateworkshop@nbp.pl](mailto:realestateworkshop@nbp.pl). Accepted papers will be published in the NBP Working Papers Series. Selected papers can be considered for publication in a peer reviewed book that will be published after the conference. The book will be published in cooperation with the Warsaw School of Economics. If you wish to publish your paper as a chapter in the book, please indicate this during the submission. We want to publish the book promptly after the workshop, therefore potential authors should submit an extended abstract of their paper by 31 July 2017, and the final chapter by 13 September 2017.
