The National Bank of Poland is putting into circulation coins commemorating Władysław Strzemiński in the series “Polish Painters of the Turn of 19th and 20th Centuries”, of the following face values:

2 zł – struck in standard finish, in Nordic Gold, on 4 December 2009,

20 zł – struck in proof finish, in silver on 7 December 2009.

The National Bank of Poland

holds the exclusive right to issue the currency
in the Republic of Poland.

In addition to coins and notes for general circulation, the NBP issues collector coins and notes. Issuing collector items is an occasion to commemorate important historic figures and anniversaries, as well as to develop the interest of the public in Polish culture, science and tradition.

Since 1996, the NBP has also been issuing occasional 2 złoty coins, struck in Nordic Gold, for general circulation.

All coins and notes issued by the NBP are legal tender in Poland.

Since 2002, the NBP has been issuing the coin series of the „Polish Painters of the Turn of 19th and 20th Centuries”. The theme of „Władysław Strzemiński (1893–1952)” is the seventh in the series.

Information on the issue schedule and on how to purchase the coins can be found at the www.nbp.pl website.

The coins were struck at the Mint of Poland in Warsaw.

Edited and printed: NBP Printing Office.

Władysław Strzemiński
(1893-1952)
Although he was consistent and honest, and at the same time obstinate and uncompromising, he was not an easy person to live with. At the same time he was able to show love to students and wickedness arising from sungazing.
